COCKTAIL MENU

THE WINTER GARDEN

Frost gathers on the glass, and for the festive season Dalloway Terrace becomes the Winter Garden. Begin with a toast: The Nollaig Royale, served in a Waterford crystal flute. From there, the garden unfolds, each cocktail a new corner to explore, some arriving with a mist of scent, others with a box of spices to make your own. Every winter garden needs a guest worth lingering for, and this year it's Belvedere.
